

Industrial Affiliates Program
Agreement No. UTA ___ - ____
Between
The University of Texas at Austin
and
Company Name

Company Name, hereinafter referred to as "Industrial Affiliate," and The University of Texas at Austin, hereinafter referred to as "University," hereby agree as follows:

1. The Industrial Affiliate will provide \$50,000 for support of basic and applied fundamental research related to enhanced oil recovery research. Said research will be carried out through the Industrial Affiliates Program (IAP) Agreement, which shall be valid for the term of January 1, 2012 through December 31, 2012. The research will be directed by Gary A. Pope of The University of Texas at Austin who will, in his capacity on the project, act as Program Director and not as consultant to the Industrial Affiliate.
2. The Industrial Affiliate will provide the \$50,000 payment for the "Term" after fully executed, but not later than ninety (90) days from the execution of this Agreement.
3. The University will maintain funds provided by the Industrial Affiliate under this Agreement in a separate account established for said Industrial Affiliates Program and will expend funds as necessary for wages, supplies, seminars, annual review expenses, capital expenses, and other operating expenses in connection with the research.
4. As with all University Industrial Affiliates Programs, intellectual property rights cannot be granted, and no specific reporting requirements may be imposed by Industrial Affiliate. However, the University intends to host an annual workshop, provide an annual report of research accomplishments resulting from the program, and, provide the Industrial Affiliate with preprints and publications resulting from the research related to the "Term".
5. The University represents that it is in compliance with and will abide by provisions of the Immigration Reform and Control Act of 1986.
6. Said Industrial Affiliates Program will be conducted within the United States of America.

7. The goal of this research is the advancement of scientific knowledge and does not have a commercial objective. The results of the research will be published or broadly shared in the scientific community.

8. Industrial Affiliate and The University shall comply with all U.S. export control laws and regulations, including the International Traffic in Arms Regulations (ITAR), 22 CFR Parts 120 through 130, and the Export Administration Regulations (EAR), 15 CFR Parts 730 through 799, and the regulations of the Office of Foreign Assets Control (OFAC), 31 CFR Parts 500 through 599, in the performance of this Agreement. In the absence of available license exemptions/exceptions, the Parties shall be responsible for obtaining the appropriate licenses or other approvals, if required, for exports of hardware, technical data, and software, or for the provision of technical assistance or deemed exports.

9. This Agreement constitutes the entire and only agreement between the parties relating to the research, and all prior negotiations, representations, agreements and understandings are superseded hereby, and may not be assigned by either party without the prior written consent of the other party. No agreements altering or supplementing the terms hereof may be made except by means of a written document signed by the duly authorized representatives of the parties. Terms and conditions, which may be set forth (front, reverse, attached or incorporated) in any purchase order issued by the Industrial Affiliate in connection with this Agreement shall not apply, except for informational billing purposes; i.e., reference to purchase order number, address for submission of invoices, or other invoicing items of a similar informational nature.
